**Dear Head of Davitoz vocational training,**

On behalf of the Academic Union Council we would like to express our appreciation for the high level of the learning process provided by your institution, as well as the teaching of highly qualified specialists in accordance with the latest international educational standards.

Today The Academic Union (AU) boasts more than 240 members, including Rectors, Vice-Chancellors, Doctors, Professors and prominent scientists from 30 countries. The Academic Union is actively working towards enhancement the educational process and improving the quality of training, educational management and alumni level. That is why propaganda of the best regional educationalists and institutions achievements and recognition of the best regional universities and colleges in quality sphere is an important part of the Academic Union events.

Academic Union has prepared the special session devoted to Quality in Education: Trends, Strategies, Practices. The session will take place 3 July in Lucerne in the framework of the International "Excellence in Quality" Conference, Switzerland. The Session keynote presenter - Dr. Rui Verde, Author, Professor of Law, Human Rights Adviser, Head of Law & Economics Department, AU Oxford, Ph.D. Law, University of Newcastle, UK.

Academic Union Council has selected your Davitoz vocational training to be invited to this special session as the speaker due to the impeccable image in regional science and education area and high quality of educational services you offer. We understand that your wide experience and original viewpoint will be interesting for the Academic Union members and session guests.

The Academic Union session agenda includes the honouring of the leading regional educational institutions for high quality of the services they render to students. Academic Union has recommended Davitoz vocational training for the International award in quality sphere "European Quality". This is a recognition of the quality services offered by your institution, their accordance to the international standards, exemplary educational management and teaching methods

Event details are attached.

We are convinced that such experience will widen the frontier of your professional activities and increase the quantity of right connections.

Kind regards,
